Monodosi

A 70 km da Milano, al confine delle province di Cremona, Mantova e Parma, territori noti **in tutto il mondo** per la produzione di eccellenze alimentari, nel 1999 viene fondata Top Single Service.

Affiancando la produzione di salse e condimenti tradizionali a innovazione e ricerca, oggi Top Single Service e' un'azienda che conta uno stabilimento di circa 7.800 m2, dotato delle tecnologie più avanzate in grado di produrre salse, sughi, creme e condimenti confezionati in monodose, squeezer, vasi vetro, banda stagnata, secchielli e buste, per i canali food service e retail.

Alle ricette standard **a proprio marchio** Top Food, si sono affiancate poi ricette e confezioni personalizzate **a marca privata**.

Fiore all'occhiello dell'azienda è il laboratorio di ricerca e sviluppo composto da un team qualificato alla continua ricerca della innovazione e della qualità.

*Top Single Service was founded in 1999, 70 km far from Milan, on the border between the provinces of Cremona, Mantua and Parma, territories known **all over the world** for the production of excellent food.*

Combining the production of traditional sauces and seasonings with innovation and research, today Top Single Service is a company with a plant of about 7,800 m2, equipped with the most advanced technologies able to produce sauces, creams and seasonings packed in single doses, squeezers, glass vessels, tins, buckets and bags, for food service and retail channels.

*Standard recipes with their **own brand** Top Food were followed also by recipes for **private labels** with customized packaging.*

The company boasts a research and development laboratory made up of a qualified team always looking for innovation and quality.
